

Sunnybank Vine Nursery - Rooted Cuttings List 2023/2024

The varieties below are supplied as bare-rooted one year old vines. They are on their own rootstock, so are not grafted. Vines will be shipped when dormant, from the end of November 2023 through to March 2024.

The selection is based on reliability for growing outside in the UK and for disease resistance.

Colour	Variety	Use	Seedless Y/N	Notes
Red/Black	Boskoop's Glory (syn. Schuyler) 	Both	N	Reliable fruity flavour, vigorous
Red/Black	Brant	Both	N	Great autumn colour, decorative tight bunches
Red/Black	Cabernet Cortis	Wine	N	Early ripening, very vigorous, strong tannin flavours
Red/Black	Glenora	Dessert	Y	Spicy flavour, small berries, great autumn colour. Needs good site to ripen
Red/Black	Muscat Bleu	Dessert	N	Less vigorous, light muscat flavour, loose bunches, ripens mid / early
Red/Black	Regent	Wine	N	Although a wine grape, is good for eating too
Pink/Blush	Reliance 	Dessert	Y	Reliable, light strawberry flavour, white blush stronger pink in sunny years
Red/Black	Rembrandt	Dessert	N	Very reliable, sets fruit even in poor years. Strawberry flavour, good sized berries, big bunches and heavy crop
Red/Black	Rondo	Wine	N	Early ripening, good sized berries and heavy crop
Red/Black	Sovereign Coronation 	Dessert	Y	Vigorous, early ripening, good sized berries, light strawberry flavour
White	Interlaken	Dessert	Y	Early ripening, strawberry flavour, lighter cropping
White	Lakemont 	Dessert	Y	Good fruity flavour, good sized bunches and berries
White	Phoenix	Both	N	Light muscat flavour, ripens later
White	Seyval Blanc	Wine	N	Heavy cropping, neutral flavour, later ripening
White	Solaris	Wine	N	Very early ripening, peachy flavour, very vigorous growth

 Denotes Royal Horticultural Society 'Award of Garden Merit' (AGM) for Table Grapes.

Please do not hesitate to contact me if you would like advice on the choice of varieties or have any other queries. Email is usually best as I am often outside with the vines.

Note that other vine varieties in the collection not listed above are normally available as bare wood cuttings for your own propagation. For a full list of varieties please visit the website or email sarah@sunnybankvines.co.uk
